Activities

The first week of April the children will be learning about the weather especially rain! It just wouldn't be April without lots of rain! As the saying goes, April showers, bring May flowers! You won't want to miss all the fun we have getting dirty with some planting flowers and learning about all kinds of bugs! Did you know that bugs have jobs? Yep, they sure do and their not just for scaring your sister with either! Also in April we will be talking about the greatest sacrifice ever given....God's only Son who died for each of us. As we learn about Easter and the week leading up to it we will also talk about forgiveness and new life!

On **Tuesday April 25th**, all Dads are invited to a special Dinosaur evening at preschool from 6:30-7:30! We will have a special surprise for you and yummy treats too!

It's hard to believe we are coming to the end of such a great year.... Soon our children will celebrating the accomplishments of the year with our graduation ceremony. Preschool Graduation is a special day for EVERYONE! Even if your child isn't moving on to Kindergarten this is a very special "end of year production" put on by the children that you won't want to miss! Please plan to attend on **Sunday May 14th** at **10:30**. Seats will be reserved for TLC families, however, it will be a full house so plan to come early!
